UAIRP – NAMMA Data Products, Availability, Status, and Schedule
UAIRP NAMMA Praia, CV, Radiosonde Data

Product	Type	Delivery Frequency	Delivery Occurrence	Product Archive Status	Delivery Locations
vertical profile data: ascent file. descent file	ASCII text file (.txt)	every 4 hours	after each flight	static for each flight; continuous archive	NAMMA RTMM Site UAIRP-NAMMA Web Site
Skew-T graph	web image (.gif)	every day (6 images)	once per day; time TBD	static for each flight; continuous archive	UAIRP-NAMMA Web Site
balloon trajectory coordinate plot	web image (.gif)	every day (6 images)	once per day; time TBD	static for each flight; continuous archive	UAIRP-NAMMA Web Site
total precipitable water plot	web image (.gif)	every day (1 image)	once per day; time TBD	dynamic; replaced each day; continuous archive	UAIRP-NAMMA Web Site
relative humidity time series plot	web image (.gif)	every day (1 image)	once per day; time TBD	dynamic; replaced each day; continuous archive	UAIRP-NAMMA Web Site
temperature time series plot	web image (.gif)	every day (1 image)	once per day; time TBD	dynamic; replaced each day; continuous archive	UAIRP-NAMMA Web Site
u component wind time series plot	web image (.gif)	every day (1 image)	once per day; time TBD	dynamic; replaced each day; continuous archive	UAIRP-NAMMA Web Site
v component wind time series plot	web image (.gif)	every day (1 image)	once per day; time TBD	dynamic; replaced each day; continuous archive	UAIRP-NAMMA Web Site
wind vector time series plot	web image (.gif)	every day (1 image)	once per day; time TBD	dynamic; replaced each day; continuous archive	UAIRP-NAMMA Web Site
