[Lightning webpages](#)

[LANCE webpages and tie-ins to GHRC](#)

New FY2018 Micro Articles and Data Recipes

Please explore the Micro Articles and Data Recipes listed below. We would also appreciate ideas for future Micro Articles and Data Recipes. Let us know if you are interested in helping with reviewing or providing content for these Micro Articles and Data Recipes.

- Data Recipes
 - [ISS LIS Lightning Flash Location Quickview using Python and GIS](#)
 - [HS3 HIWRAP Radar Reflectivity Profile Quick View](#)
- Micro Articles
 - [Instrument: 2DVD Disdrometer](#)
 - [Phenomenon: Hurricane](#)
 - [Field Campaign: OLYMPEX](#)

Lightning Virtual Collection:

Please review the [Lightning Virtual Collections draft page](#) and suggest additions:

- Do you feel a broad coverage virtual collection of this type is useful?

GHRC Home Page (<https://ghrc.nsstc.nasa.gov/home/>):

- Explore the Masthead (top image), Features, and News Items

- What ideas do you have for additional features or news?
- Would you be willing to work with us to highlight your research or publications or those of other scientists you work with?
- The mastheads we develop are also posted on NASA Earthdata. They need to be timely and concise. Do you have any recommendations on future mastheads?

GHRC 2018 Earthdata Webinar:

Did you watch the [GHRC webinar in March](#)?

- We are currently exploring ideas for the 2019 webinar. Please let us know if you have any suggestions or are willing to help us develop the presentation.
