

# Flight Report Sep 1, 2010

Submitted by **abansemer** on Sun, 09/19/2010 - 10:03

- **CAPS/CSI/PIP**
- **Earl**

Flight Date:

Wednesday, September 1, 2010

PIP has been repaired. CAPS has been cleaned and worked well. All instruments collected good data.

Collected interesting data both in storm environment and surrounding dust environment.

CSI not flown.

Status:

Green
