

# Flt 17 PGI#44 Sept. 12

Submitted by **rferrare** on Tue, 09/14/2010 - 12:05

- **Atlantic Basin**
- **LASE**

Flight Date:

Saturday, September 11, 2010

Sortie Number:

17

LASE had successful flight into PGI44. LASE measurements show drier air was present northwest of the system. This dry air was north of Cuba and observed on the transit back to Ft. Lauderdale.

Status:

Green
