

17Sep2010 Tri-Agency Mission Scientist Report - Robert Houze

Submitted by pjmeier on Fri, 09/17/2010 - 11:52

- [Karl](#)

Flight Date:
Fri, 09/17/2010

The NASA DC8 and WB57 continue to investigate Hurricane Karl as it makes landfall and interacts with mountains. IFEX and Predict are not conducting flights today.
